

S.H.O.P. NEWS

For those of you who order SHOP online, you may have noticed a "Reports" category on the Manna website. The "Activity" Report will show calculations of what you have earned from your website purchases. These numbers, however, do not reflect all of your S.H.O.P. purchases (from such Independent Stores as Kohl's and Chipain's,) nor the Manna fee the school pays, nor what you bought prior to online ordering. Thus the Activity Report can only offer a general idea of your family's Fundraising Credit from S.H.O.P. purchases. Your accurate S.H.O.P. Credit will be included in the accounting that each school family will receive in early February detailing all Fundraising activities to date.

Don't forget...ALL orders between now and Christmas MUST be in on Mondays, not Tuesdays! Because of the holiday rush, orders will be processed by early Tuesday mornings.
