

Spring Volleyball Registration

Co-Ed and Boys Only* Teams will be offered this Spring.

- Co-Ed Volleyball will be available to our current 5th, 6th, 7th, and 8th grade students.
- Games start Mid-March and run through the first weekend in May.
- Majority of the games will be played on weekends.
- Boys are allowed to play on **both** co-ed and boys only teams.

Registration form can be found on the other side of this flyer

*We are anticipating forming Boys Only teams at the 5th, 6th, 7th, and 8th grade levels, however, if there is not enough interest to form 4 separate teams we will combine 5th/6th and 7th/8th to form 2 teams.

Also, if a Boys Only team cannot be formed **at all** at your player's level, you will have the option of receiving a refund or transferring your registration fee to a Co-Ed team (if your son has not already signed up for both).

Coaches: We need a minimum of two coaches per team. Please complete the section below if you are interested in coaching.
