

## *The Best Way to Spread Christmas Cheer is by Bringing in Winter Gear*

This year, NJHS has decided to host a **Winter Gear Drive**. Winter gear is essential during the cold weather season. Some people are not as fortunate as us and don't have the ability to purchase their own hats, gloves, scarves, etc.

As Catholics, we are taught to help others whenever they may need it. As we are celebrating Advent and getting closer to Jesus' birth, we must remember to put other people before ourselves. Donating to the Winter Gear Drive would surely bring a smile, and joy, to those people who aren't as fortunate as we are.

Therefore, bringing in any of these new items, for infants, children, women, and men of all ages by **December 17, 2021** would be greatly appreciated:

- Hats
- Scarves
- Gloves
- Socks
- Blankets

There will be boxes outside of Mrs. Cunningham's room, near the front office, and centrally located in the primary hallway where you can place any items you have kindly offered to donate to the people who need them.
